United Kingdom

St Mary's has a strong academic performance with an excellent track record of placing graduates in good employment or appropriate postgraduate study. Research and postgraduate study attract students from all over the country and abroad, whilst our foundation degrees and short courses are open to everyone.

Our friendly, caring atmosphere ensures a warm welcome for everyone at St Mary's. Students say "St Mary's knows me by name".

Undergraduate Programmes

Flexible, modular degree options allow a great deal of choice to both Joint and Single Honours students.
